## HOW DO COMMUNITIES BENEFIT?

"Participating in MCB for all 55 years has given Albany the framework and tools our citizens use to plan and implement community improvement projects. The beauty of MCB is that year to year different people lead projects with good assurance they are following short-range plans that lead into the long-range future of our community development strategies. You can't put a price on the value Community Betterment gives to the past, present and future of Albany, Missouri."

## WHY SPONSOR MCB?

"We invest in Missouri Community Betterment because we see firsthand the success the program is having in rural communities throughout the state. While across the Midwest we are seeing Main Streets close up shop, MCB communities continue to grow and provide a better quality of life for Missourians."

- Mark Woodson, Associated Electric Cooperative, Inc.

"With similar missions it seems only fitting that our Foundation should support MCB with the work that they do. I have been very impressed with the dedication of many of the local community leaders as they attempt to make their town the best it can be."

- Ken Caspall, MFA Oil Foundation
